

## Cedar Hill Cemetery District

### Commitment to Serve During the COVID 19 Crisis

As COVID-19, the coronavirus, affects people all around the world, creating uncertainty and concern, Cedar Hill Cemetery District is committed to serving your needs with compassion and competence.

In order to protect you, your loved ones, and the staff, some practical steps are advised such as:

- When visiting plots, and interacting with the staff, distances of 6 feet between individuals should be maintained;
- When selecting plots, photographs of plots and views may be provided for your convenience via email in lieu of on-site consultations;
- Business transactions, such as mailing checks or deeds, may be conducted by mail.

In arranging services, the Sexton will advise of any circumstances to consider that may be in effect due to the current situations.

Please visit the website <https://www.cedarhillouray.org/> for other current guidance, self-help information, and contacts you may use to gain more information.

We are committed to meeting your needs during this extraordinary period in history and you may trust that Cedar Hill Cemetery District will provide the best possible service at all times.

Sincerely,

The Board of Directors, Sexton and Caretaker  
Cedar Hill Cemetery  
Ouray County, Colorado
